

# SR 520 traffic shift during Montlake Project construction

Both eastbound and westbound vehicles temporarily will travel on West Approach Bridge North

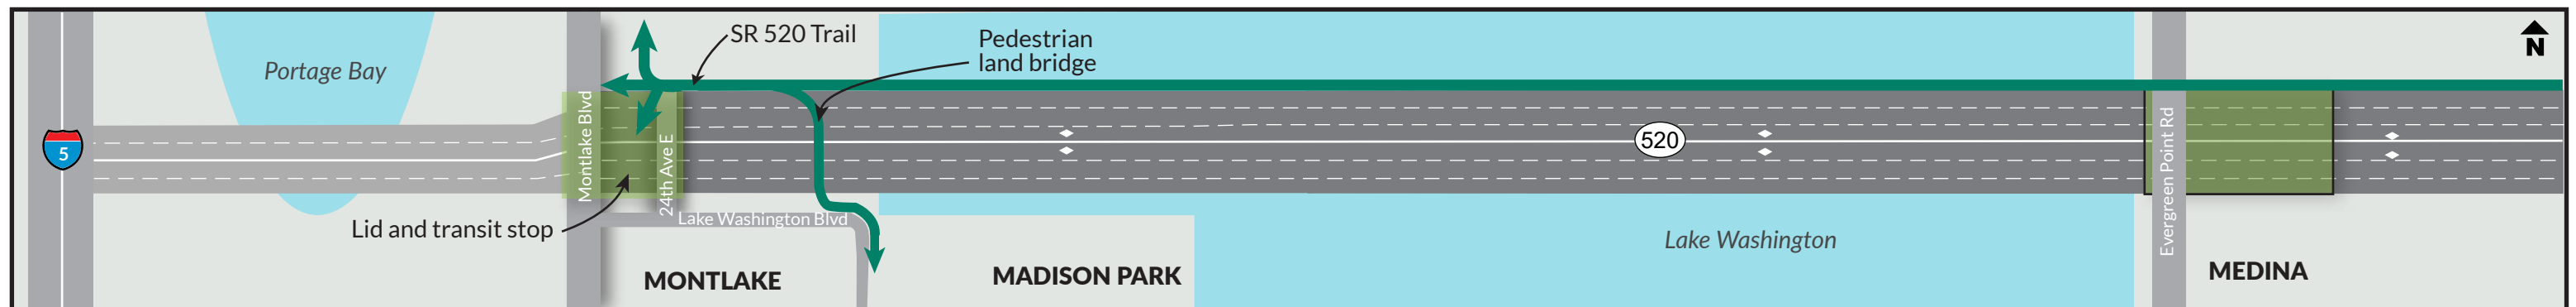

**Current configuration:** Westbound traffic travels on West Approach Bridge North, eastbound on old west approach bridge

**Early 2019:** Montlake Project construction begins, all traffic shifts onto West Approach Bridge North (exact shift date TBD)

**2023-2024 (approx):** Montlake Project construction complete, 3 lanes each direction east of Montlake Boulevard

Mainline construction area	Old structure	New structure	SR 520 Trail
