The materials listed above meet or exceed the requirements of FHWA "23 CFR 635.410" or meet the following requirements 23 CFR 635.410(b)(4).						
*** "When steel and iron materials are used in a project, the requirements of this section do not prevent a minimal use of foreign steel and iron materials, if the cost of such materials used does not exceed one-tenth of one percent (0.1 percent) of the total contract cost or \$2,500, whichever is greater. For purposes of this paragraph, the cost is that shown to be the value of the steel and iron products as they are delivered to the project."						
By signing this document, I declare under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.
