

Chapter 1 Bridge Inspection Organization Requirements

| | | |
|--------------|--|-------|
| 1-1 | General | 1-1 |
| 1-1.1 | Definitions | 1-1 |
| 1-2 | Description of Bridge Inspection Organization | 1-3 |
| 1-3 | Bridge Inspection Programs | 1-5 |
| 1-4 | Bridge Inspection Organization Roles and Responsibilities | 1-6 |
| 1-4.1 | Statewide Program Manager (SPM) | 1-6 |
| 1-4.2 | Delegated Program Manager (DPM) | 1-6 |
| 1-4.3 | Team Leader (TL) | 1-6 |
| 1-4.4 | Assistant Inspector | 1-6 |
| 1-4.5 | Load Rating Engineer (LRE) | 1-7 |
| 1-4.6 | Underwater Bridge Inspection Diver (UBID) | 1-7 |
| 1-4.7 | FHWA Division Bridge Engineer (DBE) | 1-7 |
| 1-5 | Bridge/Tunnel Inspection Certification | 1-7 |
| 1-5.1 | Initial Certification | 1-7 |
| 1-5.2 | Certification Renewal | 1-8 |
| 1-5.3 | Certification Roles and Responsibilities | 1-9 |
| 1-6 | Bridge Inspection Certification Probation, Suspension, Decertification and Reinstatement | 1-9 |
| 1-7 | Appendices | 1-10 |
| Appendix 1-A | WSDOT Bridge/Tunnel Inspector Experience and Training Record Form | 1-A-1 |
| Appendix 1-B | Continuing Education Course List | 1-B-1 |
| Appendix 1-C | SPM Delegation Letter | 1-C-1 |
| Appendix 1-D | DPM Delegation Letter | 1-D-1 |

Chapter 2 Bridge Files and Documentation

| | | |
|-------|---|------|
| 2-1 | General | 2-1 |
| 2-2 | Maintaining Bridge Files and Documentation | 2-1 |
| 2-2.1 | Transferring Bridge Ownership and/or Program Manager | 2-4 |
| 2-2.2 | Dead/Obsolete Bridge Files | 2-4 |
| 2-2.3 | Structures on WSDOT Right of Way | 2-4 |
| 2-3 | Maintaining a State Bridge Inventory – WSBIS | 2-4 |
| 2-3.1 | WSBIS Inventory and Data | 2-5 |
| 2-3.2 | New Bridge Inventory in the WSBIS | 2-7 |
| 2-3.3 | Deleting (Obsoleting) Bridges in the WSBIS | 2-8 |
| 2-3.4 | Bridges with Multi-Agency Responsibility in the WSBIS | 2-8 |
| 2-3.5 | Reporting WSBIS Data to the NBI – Special Circumstances | 2-10 |
| 2-3.6 | Washington State Bridge List M 23-09 | 2-10 |
| 2-4 | FHWA Data Submittal Process | 2-11 |
| 2-5 | Responding to FHWA | 2-12 |

| | | |
|-----|--|-------|
| 2-6 | Appendices..... | 2-13 |
| | Appendix 2-A WSDOT BPO Floor Plan with File Locations | 2-A-1 |
| | Appendix 2-B Record Change Form..... | 2-B-1 |
| | Appendix 2-C Washington State Bridge Inventory System Coding Guide | 2-C-1 |
| | Appendix 2-D Vacant | 2-D-1 |
| | Appendix 2-E WSDOT BMS to NBE Translation | 2-E-1 |
| | Appendix 2-F Border Bridge Information | 2-F-1 |
| | Appendix 2-G Sufficiency Rating Calculation | 2-G-1 |
| | Appendix 2-H WSDOT/FHWA Communication Protocol Flowchart | 2-H-1 |

Chapter 3 Inspections and Reports

| | | |
|-----|---|--------|
| 3-1 | General | 3-1 |
| 3-2 | Inspection Types and Reporting | 3-1 |
| 3-3 | Bridge Inspection Orientation..... | 3-29 |
| 3-4 | Policy and Procedures..... | 3-33 |
| | 3-4.1 BPO Policy and Procedures..... | 3-33 |
| | 3-4.2 LP Policy and Procedures | 3-41 |
| 3-5 | Forms..... | 3-43 |
| 3-6 | Appendices..... | 3-93 |
| | Appendix 3-A1 Short Span Bridge With Fill on Deck | 3-A1-1 |
| | Appendix 3-A2 Short Span Bridge With No Fill on Deck | 3-A2-1 |
| | Appendix 3-A3 Short Span Culvert With Fill on Deck..... | 3-A3-1 |
| | Appendix 3-B UBIT Inspections and Procedures | 3-B-1 |
| | Appendix 3-C FHWA Letter for Routine Extended Frequency Inspections | 3-C-1 |
| | Appendix 3-D FHWA Letter for Bridge Special Feature Inspections..... | 3-D-1 |

Chapter 4 WSDOT Bridge Elements

| | | |
|-----|--|------|
| 4-1 | Introduction | 4-7 |
| | 4-1.1 Identifying Elements Prior to Inspection | 4-8 |
| | 4-1.2 Element Units and the Total Quantity..... | 4-8 |
| | 4-1.3 Quantifying Element Defects..... | 4-9 |
| | 4-1.4 Reporting Structural History..... | 4-11 |
| | 4-1.5 Concrete Element Cracking | 4-11 |
| | 4-1.6 WSDOT Deck Element to NBI Deck Table..... | 4-11 |
| 4-2 | Bridge Decks | 4-12 |
| 4-3 | Superstructure..... | 4-19 |
| | 4-3.1 Girders | 4-19 |
| | 4-3.2 Diaphragms | 4-19 |
| | 4-3.3 Pedestrian Bridges | 4-19 |
| | 4-3.4 Slab Bridges..... | 4-20 |

| | | |
|-------|--|------|
| 4-4 | Substructure..... | 4-43 |
| 4-4.1 | Abutments..... | 4-43 |
| 4-4.2 | Pier Cap/Cross Beam..... | 4-43 |
| 4-4.3 | Pier Wall Definition..... | 4-44 |
| 4-4.4 | Pile/Column Elements..... | 4-44 |
| 4-4.5 | Foundation Elements..... | 4-44 |
| 4-4.6 | Submerged Element Definition (Column, Pier Wall, Foundation).... | 4-45 |
| 4-5 | Culverts..... | 4-62 |
| 4-6 | Sidewalk and Supports..... | 4-64 |
| 4-7 | Bearings..... | 4-66 |
| 4-8 | Bridge Approach..... | 4-68 |
| 4-9 | Bridge Rail..... | 4-69 |
| 4-10 | Pedestrian Rail..... | 4-70 |
| 4-11 | Smart Flags..... | 4-71 |
| 4-12 | Seismic Restrainers..... | 4-75 |
| 4-13 | Expansion Joint Elements..... | 4-79 |
| 4-14 | Movable Bridges..... | 4-90 |
| 4-15 | Other Bridge Elements..... | 4-91 |
| 4-16 | WSDOT Bridge Deck Overlay Elements..... | 4-93 |
| 4-17 | Protective Coatings..... | 4-97 |

Chapter 5 Load Rating and Scour

| | | |
|--------------|---|-------|
| 5-1 | General..... | 5-1 |
| 5-2 | Bridge Load Rating..... | 5-1 |
| 5-2.1 | General Load Rating and Re-Rating Guidelines..... | 5-1 |
| 5-2.2 | Bridge Load Rating Revision Criteria..... | 5-2 |
| 5-2.3 | Bridges With Unknown Structural Components..... | 5-3 |
| 5-2.4 | Data Management..... | 5-3 |
| 5-2.5 | Posting Requirements..... | 5-3 |
| 5-2.6 | Overload Permits..... | 5-5 |
| 5-3 | Scour Evaluation..... | 5-7 |
| 5-3.1 | Determining Susceptibility to Scour..... | 5-8 |
| 5-3.2 | Action Plans for Scour Critical Bridges..... | 5-8 |
| 5-3.3 | Recording Bridge Scour Information..... | 5-10 |
| 5-3.4 | Scour Analysis..... | 5-11 |
| 5-4 | Appendices..... | 5-15 |
| Appendix 5-A | WSDOT Scour Summary Sheet..... | 5-A-1 |
| Appendix 5-B | WSDOT Plan of Action Template..... | 5-B-1 |
| Appendix 5-C | Instructions for Completing WSDOT Plan of Action..... | 5-C-1 |
| Appendix 5-D | FHWA Plan of Action Template..... | 5-D-1 |
| Appendix 5-E | Instructions for Completing FHWA Plan of Action..... | 5-E-1 |

Chapter 6 Damage and Repairs

6-1 General6-1

6-2 Critical Damage Bridge Repair Report (CDBRR).....6-1

6-2.1 Completing the CDBRR.....6-4

6-2.2 CDBRR Reporting.....6-6

6-3 Other Damage Reports.....6-8

6-4 Bridge Repairs6-9

6-4.1 New Repair Entries.....6-9

6-4.2 Modifying Existing Repairs6-15

6-4.3 Repair Verification.....6-15

6-5 Maintenance – Bridge Repair Report (MBRR)6-17

6-6 Appendices.....6-19

Appendix 6-A Critical Damage Bridge Repair Report6-A-1

Appendix 6-B Critical Damage Bridge Repair Report - Instructions6-B-1

Appendix 6-C Maintenance - Bridge Repair Report Example.....6-C-1

Chapter 7 Quality Control/Quality Assurance

7-1 General7-1

7-2 WSDOT Bridge Preservation Office Quality Control Program7-3

7-2.1 Purpose7-3

7-2.2 Definitions7-3

7-2.3 Time Frame of Evaluation7-3

7-2.4 Personnel7-3

7-3 Coding and Appraisal Unit7-4

7-3.1 Bridge File Maintenance7-4

7-3.2 Processing Inspection Reports7-5

7-3.3 Coding New Bridges.....7-6

7-3.4 Data Concurrency.....7-6

7-3.5 Vertical Clearance and Clearance Posting7-6

7-3.6 Inspector Certification.....7-6

7-3.7 Inspection Status Report and Performance Indicators.....7-7

7-4 Risk Reduction Unit (Load Rating)7-7

7-4.1 QC Criteria.....7-7

7-5 Risk Reduction Unit (Scour Group).....7-8

7-5.1 Bridge Selection Criteria7-8

7-5.2 Office Review7-8

7-5.3 On Site Field Review7-8

7-6 Regional and Special Structures Inspection Units7-9

7-6.1 Office Review of Structural Inspections7-9

7-6.2 Field Review of Structural Inspections7-10

7-7 Underwater Inspection Unit7-11

7-7.1 Underwater Inspection Office Report Review Process.....7-11

7-7.2 Field Review of Underwater Bridge Inspections7-11

| | | |
|--------------|---|-------|
| 7-8 | WSDOT Bridge Preservation Office Quality Assurance Program | 7-12 |
| 7-8.1 | Purpose | 7-12 |
| 7-8.2 | Definitions | 7-12 |
| 7-8.3 | Timeframe of the Quality Assurance Evaluation | 7-12 |
| 7-8.4 | Personnel | 7-12 |
| 7-8.5 | Quality Assurance. | 7-12 |
| 7-9 | WSDOT LP Quality Control/Quality Assurance Program | 7-15 |
| 7-9.1 | General. | 7-15 |
| 7-10 | WSDOT LP Quality Control Program | 7-15 |
| 7-10.1 | Personnel – Roles, Responsibilities, and Qualifications | 7-15 |
| 7-10.2 | Personnel – Continuing Education Requirements. | 7-16 |
| 7-10.3 | Maintain Bridge Information (Electronic and Physical Information). . | 7-16 |
| 7-10.4 | Management/Analysis of Bridge Load Rating and Bridge Scour. | 7-17 |
| 7-10.5 | Review and Validation of Inspection Reports and Data | 7-18 |
| 7-10.6 | Reporting of Quality Control Reviews. | 7-19 |
| 7-11 | WSDOT LP Quality Assurance Program | 7-19 |
| 7-11.1 | Annual QA Review – Certified Bridge Inspector | 7-20 |
| 7-11.2 | QA Review – On Local Agency QC Procedures. | 7-20 |
| 7-11.3 | Reporting of Quality Assurance Reviews | 7-22 |
| 7-12 | Appendices. | 7-23 |
| Appendix 7-A | Bridge Letter File Contents for State Bridges | 7-A-1 |
| Appendix 7-B | Flowchart for Tracking New Bridges | 7-B-1 |
| Appendix 7-C | WSBIS Fields Maintained With Other WSDOT Database Source Information | 7-C-1 |
| Appendix 7-D | Bridge Preservation Office Lead Approval Criteria. | 7-D-1 |
| Appendix 7-E | Bridge Preservation Office Quality Control Review Tracking Form | 7-E-1 |
| Appendix 7-F | Bridge Preservation Office Quality Control Report Review Tracking Form | 7-F-1 |
| Appendix 7-G | Bridge Preservation Office Quality Control Field Review Form | 7-G-1 |
| Appendix 7-H | Bridge Preservation Office Quality Assurance Bridge Selection Process | 7-H-1 |
| Appendix 7-I | Bridge Preservation Office Field Review | 7-I-1 |
| Appendix 7-J | LP Quality Assurance Deficiencies | 7-J-1 |

Chapter 8 Electrical and Mechanical

8-1 General8-1
 8-1.1 References8-1
 8-1.2 Definitions8-1
 8-2 Description of Complex Bridges and Tunnels8-2
 8-2.1 Delegated Program Manager (DPM)8-2
 8-2.2 Electrical/Mechanical Complex Bridge Lead Inspector (CBLI).8-2
 8-3 Inspections8-3
 8-3.1 Routine Inspections8-3
 8-3.2 Blue Ribbon Inspections8-4
 8-3.3 In-Depth Inspection8-4
 8-4 Complex Bridge and Tunnel QC/QA Program8-5
 8-5 Tunnel Inspection Duties8-6
 8-6 Complex Bridge and Tunnel Records8-7
 8-6.1 Operation, Inspection and Maintenance Manuals8-7
 8-6.2 Structure Files8-7
 8-7 Bridge Damage/Emergency Responsibilities8-8
 8-8 Plans, Specifications and Estimates8-8
 8-9 Appendices8-9
 Appendix 8-A BPO Memo for Blue Ribbon Inspection Schedule Alteration 8-A-1
 Appendix 8-B Guideline for Writing Electrical and Mechanical
 Inspection Reports 8-B-1
 Appendix 8-C Numerical Rating Condition Description 8-C-1
 Appendix 8-D Continued Certification of Complex Bridge
 Inspection Personnel 8-D-1
 Appendix 8-E Complex Bridge and Tunnel Inspection List8-E-1
 Appendix 8-F Operations, Inspections, and Maintenance Manual List ..8-F-1

Chapter 9 Tunnels

9-1 General9-1
 9-1.1 Definitions9-1
 9-2 Description of Tunnel Inspection Organization9-2
 9-3 Tunnel Inspection Programs9-2
 9-4 Tunnel Inspection Organization Roles and Responsibilities9-2
 9-4.1 Team Leader (TL).....9-2
 9-5 Tunnel Inspection Certification.....9-2
 9-6 Tunnel Inspection Certification Probation, Suspension, Decertification
 and Reinstatement9-3
 9-7 Inspections9-3
 9-8 Tunnel Elements9-3
 9-9 Tunnel QC/QA Program.....9-5
 9-10 Tunnel Records.....9-5
 9-10.1 SNTI Coding Guide.....9-5
 9-11 Appendices.....9-5
 Appendix 9-A Tunnel BMS Elements 9-A-1
 Appendix 9-B WSDOT Tunnel Listing 9-B-1
 Appendix 9-C WSDOT/NTI Tunnel Inventory Codes 9-C-1
